

## <19th KPMC Flight guideline\_executives>

**All the same as the main flight guideline except below.**

### [Subsidy amount]

- **Up to 70%** of the airfare could be covered by KBF with a limitation as the superior authority points out the airfare from Asian executives is too much. However, when the agency and authority confirms the flight ticket is proper, the support could increase according to the budget.

Executives from reciprocity areas would be guided individually.

### [Subsidy limitation for executives]

- 1) AGF Vice president(Thailand): 400,000 KRW (≒ \$296)
- 2) AGF executive: 300,000 KRW (≒ \$222)
- 3) Else executives from other countries: Please contact the organizer.

**※Reciprocity areas such as Singapore would be contacted soon individually.**
